"Meet Your Teacher"

August 14, 2018

After enjoying a little sun, the warm sand and plenty of friends and family; we hope you will spend a little time with us as we introduce your children to their new teachers.

We know your time and ours is very precious so I hope you will promptly attend our Meet the Teacher Sessions. We will review policies/procedures, complete paperwork and learn about the special classroom information that will help make your child successful. We have promoted great character and time management to our students so we hope that as we kick off the year our sessions can begin as scheduled.
